

## Village Concerns – Questionnaire

**We wish to establish whether people in East Hoathly visit and or travel through the Ashdown Forest. This will be important information to present to Wealden District Council re the Hesmonds Stud planning application and any future planning applications for the village. We are also interested to know about using cycling as a mode of transport.**

Thank you for your help.  
Village Concerns Steering Committee

---

**Do you visit the Ashdown Forest?      YES / NO**
